Editorial Review

The Path in itself is a journey. By the end of the book, you will feel like you have gone through an emotional and cerebral roller-coaster.

This book will really make you think; but more than that, it will make you feel. The Path is a call to action for all generations, young and old. Not since Paulo Coelho’s The Alchemist, has a book come out as thought provoking and inspiring. Mr. King does it again. Excellent Book!
