Toxic Coworkers: How to Deal with Dysfunctional People on the Job By Alan A. Cavaola, Neil J. Lavender

We've all worked with someone "difficult," someone who could always be trusted to blow up to space out or do or say something wildly inappropriate. As it happens, those of us who concluded "the guy's just nuts" were right: a fair number of those impossible-to-get-along-with employees actually do have full-fledged personality disorders. In *Toxic Coworkers*, the authors help us to recognize a variety of common personality traits and disorders, understand how they come about, and learn to develop effective strategies for dealing with them. So the next time the narcissist who runs the front desk is bugging you, or you need to squeeze a favor out of the schizoid who handles inventory, you'll know exactly what to do.

Editorial Review

Review

“Toxic Coworkers helps us make sense of work relationships that defy logic and consume our day. It is the perfect tool to help us understand and manage difficult people, the result of which is increased productivity and decreased frustration on the job.”

– Heidi Remak, M.A., CEAP, Manager, EAP, Lucent Technologies

“In the tradition of Robert Ringer’s *Winning Through Intimidation* and Wayne Dyer’s *Your Erroneous Zones*, Cavaiola and Lavender have made a big leap forward in showing how important psychological insights and principles can be readily applied to everyday problems in the workplace. From now on I’ll be handing frustrated employees, administrators, and executives a copy of *Toxic Coworkers*, and I’ll feel confident that they will have a powerful tool for dealing with the dysfunctional people and warped behavior they encounter on the job.”

—Dr. Robert J. Phillips, President, Corporate Extension Services, Providing Organizational Development, Team-building, Personnel Problem Resolutions, and Executive Coaching

About the Author

Alan A. Cavaiola, PhD, is a professor and member of the graduate faculty in the department of psychological counseling at Monmouth University. He is also a licensed psychologist and clinical alcohol and drug counselor. He is the coauthor of *Toxic Coworkers* and *Impossible to Please*.

Users Review

William Bixby:

As a university student exactly feel bored to help reading. If their teacher expected them to go to the library as well as to make summary for some reserve, they are complained. Just minor students that has reading's heart and soul or real their leisure activity. They just do what the trainer want, like asked to go to the library. They go to right now there but nothing reading critically. Any students feel that studying is not important, boring in addition to can't see colorful pics on there. Yeah, it is being complicated. Book is very important for you. As we know that on this age, many ways to get whatever you want. Likewise word says, many ways to reach Chinese's country. So , this Toxic Coworkers: How to Deal with Dysfunctional People on the Job can make you feel more interested to read.
