The "Other" WOW Ending for The Art of Peeling an Orange!, By T. T. Thomas

Avilan seems to sense that the difference between "I'm leaving you" and "I'm going to have you," is a universal cocktail of emotions, thoughts, strengths and weaknesses that offers one of two variations: 'Straight up or on the rocks.'

Choose your poison wisely as you contemplate if it was the calling out or the turning back around that was one's undoing. For me personally, I had to read both versions, and I'm so glad I did!
