### Bound to be Tempted (Emergence) By Becca Jameson

If they let the past control them...the future will never take hold.

#### *Emergence, Book 4*

In the six months since Margaret Donovan broke up with her girlfriend, she has prowled Emergence, hoping to find a Dom to help her explore her bisexuality. The only man who's caught her interest in all that time is the bouncer.

He's a firm Dom, and after all, it's just a trial run. An experiment. He doesn't need to know the details of the troubled past that makes her long to get over her aversion to being under anyone's thumb.

Carlton Fisher's keen eye has been tracking Maggie, as well. She looks exactly like the childhood sweetheart who's haunted him for over a decade, but she doesn't need to know that. Two weeks' instruction should get her over her hump, give her the confidence she needs to work with a Dom...and get her out of his system.

Neither is prepared for the floodtide of explosive emotions. It's cathartic and therapeutic, but if they can't purge themselves of the pain of the past, their hearts could suffer irreparable damage.

Warning: This book contains intense submission from established participants in the BDSM world. If nipple clamps, edging, public nudity, restraints, gags, blindfolds and flogging make you squeamish, move along!
