### Hot Springs of Western Canada By Jim McDonald

A new guide to Canada's hot springs, all of which are in western Canada, and some hot springs in Washington and Alaska. This book includes hot springs resorts and natural and handmade hot springs pools that can be reached by car or require a walk, hike, or boat trip to reach. Some of the hot springs in the wilderness are especially appealing because they have excellent pools and are seldom visited. The book also provides information on how hot springs work and on the springs' water temperatures, water characteristics, and histories. With the aid of detailed area maps, hot spring enthusiasts will know just where to go to ease their bodies and souls. 40 maps and 25 colour and 50 black and white photographs.
