Nannyland By Jane Elizabeth Hughes

This delightful, romantic debut follows a sophisticated Manhattanite who trades her fast-paced Wall Street life for the English countryside, and unexpectedly becomes a nanny to the children of a widowed British lord. Who is as infuriating as he is intriguing...

Jordy Greene has it all—the high-powered job, the high-octane New York lifestyle, the powerful lover—until she’s suddenly forced to flee the city. Running to avoid false charges of illegal trading and a destructive relationship, Jordy escapes to England. There she finds refuge in a cottage on the estate of the icy Lord John Grey—a descendant of the Nine Day Queen, Lady Jane Grey.

The four rambunctious Grey children are in desperate need of a nanny, and Jordy is in desperate need of a purpose—so they plunge into an investigation of the Tudor queen’s mysterious life and shocking death. Amid flying subpoenas, willful adolescents, outraged aristocrats, and an unexpected attraction to Lord Grey, Jordy struggles to regain control of her life. In the midst of the chaos, can she find the kind of happiness she’d never thought to have?

If *The Sound of Music* and *The Wolf of Wall Street* had a child, it would be the captivating *Nannyland*!
