### Night Wolf: A Novel of Viking Age Ireland (The Norsemen Saga) (Volume 5) By James L. Nelson

With their ill-fated raid on the monastery at Glendalough torn apart by betrayal and defeat, Thorgrim Night Wolf and his handful of survivors from the crew of Sea Hammer find themselves in desperate and tenuous straights. Stranded far from the safety of Vík-ló, surrounded by enemies, and with barely enough men to work the longship's oars, the Norsemen must make their way back through a dangerous and uncertain country. Thorgrim, however, is not interested in mere survival. His one thought, his one desire, is to take revenge on those whose treachery led to the slaughter of so many of his men. Assembling an ad hoc army of unlikely allies, Thorgrim leads his warriors to a final showdown that can end only in his enemies' death or his own.

### **Editorial Review**

#### About the Author

Jim Nelson was born and raised in Maine and graduated from UCLA with a degree in motion picture/television production. Finding that despite being in Southern California, it was a damp, drizzly November in his soul, Jim took the cure Melville recommended and decided to sail about a little and see the watery part of the world. For six years he worked on board traditional sailing ships before launching a writing career as in 1994. He has since written more than twenty works of maritime fiction and history. He is the winner of the American Library Association/William Young Boyd Award and the Naval Order's Samuel Eliot Morison Award. Nelson has lectured all over the country and appeared on the Discovery Channel, History Channel and BookTV. He currently lives in Harpswell, Maine, with his former shipmate, now wife Lisa and three of their four children.
