## Comparative, International, and Global Justice: Perspectives from Criminology and Criminal Justice By Cyndi Banks, James Baker

**Comparative, International and Global Justice: Perspectives from Criminology and Criminal Justice** presents and critically assesses a wide range of topics relevant to criminology, criminal justice and global justice. The text is divided into three parts: comparative criminal justice, international criminology, and transnational and global criminology. Within each field are located specific topics which the authors regard as contemporary and highly relevant and that will assist students in gaining a fuller appreciation of global justice issues. **Authors Cyndi Banks and James Baker address these complex global issues using a scholarly but accessible approach, often using detailed case studies.** The discussion of each topic is a comprehensive contextualized account that explains the social context in which law and crime exist and engages with questions of explanation or interpretation.

**The authors challenge students to gain knowledge of international and comparative criminal justice issues and think about them in a critical manner.** It has become difficult to ignore the global and international dimensions of criminal justice and criminology and this text aims to enhance criminal justice education by focusing on some of the issues engaging criminology worldwide, and to prepare students for a future where fields of study like transnational crime are unexceptional.

### Editorial Review

#### Review

“There is no question that the book is very well researched and the authors have done an excellent job of bringing new insights and new perspectives to the topic.”

(Robert M. Worley)

“Any analysis of global justice which moves from circumspection about traditions of comparative criminal justice and transnational criminology is to be much welcomed. Similarly to indicting the present era of globalisation as it destroys the prevailing global economic model, a cross-cultural analysis of crime and justice themes reveals that global justice as a hegemonic exercise. It need not be so. In fact the massive strains in global governance today highlight the urgent need to engage with a holistic understanding of global justice. Banks and Baker convincingly wrestle with the need to study global justice, providing a cogent overview of globalisation and its influences on criminal justice, criminology and emerging international criminalisation. The books scope and coverage is as vast as is its aspiration to provide synergies across contemporary and often competing conceptualisations of global justice, is commendable. For students approaching this confusing field of scholarship and policy development the book is an important new guide.”

(Mark Findlay)

“With this volume, Cyndi Banks and James Baker add a well-organized and intelligently written text to the field of criminology and criminal justice education... Students have much to gain from this volume. Even those interested primarily in crime and criminal justice in the United States (or in any other country) will understand that the knowledge they acquire is inadequate if it neglects the global contexts in which crime and criminal justice are embedded.”

(Joachim J. Savelsberg)

#### About the Author

**Cyndi Banks** is an emeritus professor of criminology and criminal justice from Northern Arizona University and a Associate Vice President of Student Success at Capilano University in Vancouver Canada. She has more than 24 years experience of research and project implementation in developing countries in the fields of juvenile justice, probation, justice policy, and child rights. She has worked as a criminologist in Papua New Guinea, Bangladesh, Iraq, Kurdistan, Timor Leste, Sudan, and Myanmar. She is the author of numerous articles and books, including *Criminal Justice Ethics; Youth, Crime and Justice; Developing Cultural Criminology: Theory and Practice in Papua New Guinea;* and *Alaska Native Juveniles in Detention.*

**James Baker** is a British lawyer now resident in the United States. He holds an LL.M. from London University with a specialization in law and development and has 30 years of experience working as a lawyer and researching rule of law and access to justice issues in Papua New Guinea, Bangladesh, Afghanistan, Iraq, Malawi, Sierra Leone, Fiji, and Timor Leste.

## **Users Review**

### **From reader reviews:**

#### **Paul Otoole:**

Nowadays reading books become more and more than want or need but also get a life style. This reading habit give you lot of advantages. The benefits you got of course the knowledge the actual information inside the book that will improve your knowledge and information. The info you get based on what kind of e-book you read, if you want drive more knowledge just go with education books but if you want feel happy read one with theme for entertaining such as comic or novel. The particular Comparative, International, and Global Justice: Perspectives from Criminology and Criminal Justice is kind of reserve which is giving the reader capricious experience.

#### **Judith Craig:**

Reading a e-book can be one of a lot of task that everyone in the world really likes. Do you like reading book thus. There are a lot of reasons why people like it. First reading a book will give you a lot of new data. When you read a guide you will get new information mainly because book is one of a number of ways to share the information or maybe their idea. Second, studying a book will make you actually more imaginative. When you studying a book especially fictional book the author will bring one to imagine the story how the people do it anything. Third, you may share your knowledge to other people. When you read this Comparative, International, and Global Justice: Perspectives from Criminology and Criminal Justice, you are able to tells your family, friends as well as soon about yours book. Your knowledge can inspire different ones, make them reading a guide.

#### **Elizabeth Ramsey:**

The reason why? Because this Comparative, International, and Global Justice: Perspectives from Criminology and Criminal Justice is an unordinary book that the inside of the publication waiting for you to snap the item but latter it will jolt you with the secret the item inside. Reading this book close to it was fantastic author who else write the book in such remarkable way makes the content inside of easier to understand, entertaining approach but still convey the meaning fully. So , it is good for you because of not hesitating having this any more or you going to regret it. This book will give you a lot of positive aspects than the other book have got such as help improving your talent and your critical thinking way. So , still want to hesitate having that book? If I have been you I will go to the book store hurriedly.

#### **Sandra Easley:**

Many people spending their time by playing outside having friends, fun activity with family or just watching TV 24 hours a day. You can have new activity to pay your whole day by looking at a book. Ugh, do you think reading a book can definitely hard because you have to accept the book everywhere? It all right you can have the e-book, taking everywhere you want in your Smart phone. Like Comparative, International, and Global Justice: Perspectives from Criminology and Criminal Justice which is having the e-book version. So , why not try out this book? Let's see.
