Editorial Review

Review

"[You have] lots of self-assessment activities. The figures and diagrams help to summarize the material. The key terms at both the beginning and end of the chapter help. [You offer] a great total package of materials."

"This text gives learners a clear roadmap through the concepts, with many opportunities to apply the concepts and focus on the associated skills; in addition, the self-assessments allow students to see where they currently stand and form a plan to develop greater skill strengths."

About the Author

Robert N. Lussier is Professor of Management at Springfield College. Having taught management for more than 25 years, he has developed innovative and widely copied methods for applying concepts and developing skills that can be used personally and professionally.
