### Love Me Never (Lovely Vicious Book 1) By Sara Wolf

Previously published as *Lovely Vicious*, this fully revised and updated edition is full of romance, intrigue, and laugh-out-loud moments.

*Don't love your enemy. Declare war on him.*

Seventeen-year-old Isis Blake hasn't fallen in love in three years, nine weeks, and five days, and after what happened last time, she intends to keep it that way. Since then she's lost eighty-five pounds, gotten four streaks of purple in her hair, and moved to Buttcrack-of-Nowhere, Ohio, to help her mom escape a bad relationship.

All the girls in her new school want one thing—Jack Hunter, the Ice Prince of East Summit High. Hot as an Armani ad, smart enough to get into Yale, and colder than the Arctic, Jack Hunter's never gone out with anyone. Sure, people have seen him downtown with beautiful women, but he's never given high school girls the time of day. Until Isis punches him in the face.

Jack's met his match. Suddenly everything is a game.

The goal: Make the other beg for mercy.

The game board: East Summit High.

The reward: Something neither of them expected.
