**Swingers of West London: POCKET BOOK SERIES issue 1 & 2 (Swingers of West London (Pocket Edition))** By Clive Austin

The dissention in the ranks is clear, although thinly veiled within the SWINGERS "family", but why does everybody hate Tamara? And more importantly, why does Simon want to knock Jon's block off? Either way, with the love of Clive's life firmly out of bounds, a dance class is no place for a naïve and vulnerable man like Clive, especially with so many scheming and manipulative women around him, but was the dance scene really any different when Clive first started, 10 years ago?
