The Perfect Pistol Shot By Albert H. League III

"You will either master the pistol or the pistol will master you."

To fire perfect shots, you must train for perfect shots. But whether you want to shoot squirrels, punch holes in paper targets, or defend your home, there is only one path to achieving consistent accuracy with a handgun: mastering the fundamentals of marksmanship. Written by a former U.S. Marine Corps firearms instructor who has taught more than a thousand law enforcement, military, and security personnel, **The Perfect Pistol Shot** uses succinct lessons, uncommon exercises, and real-world stories to provide a fresh look at a vital topic for all gunmen. It includes:

- The single most important "trick" to perfecting handgun marksmanship
- A simple concept for learning how to shoot a gun twice as fast
- A series of unique "Prove It" exercises that allow you to test the concepts offered without the pressure of actual shooting
- An entertaining chapter on guns, gun magazines, and gun gurus that will help you make wiser choices about your training

Knowing how to engage targets is valuable for the defensive shooter, but if "engaging" doesn't translate into "hitting," what's the point? You must have a solid foundation on which to build tactical skills. Your reward will be conversion from just another hapless shooter into an independent marksman.

Editorial Review

From the Author

The Perfect Pistol Shot is intended to bring students through a systematic process that ends with the ability to consistently self-coach and self-correct every shot, whether on the range or in the field. Intentional accuracy (marksmanship) is objective science that can be thoughtfully duplicated, not a subjective martial art. It does not matter whether your shooting has wild swings in accuracy or whether you have chronic bad habits, the material in this book has already been proven to produce dramatic results. Anyone in reasonable health with a safe, modern, sighted, full-sized handgun of centerfire caliber may expect no less than the following measureable standard when properly applying the material in this book:

7 yards: Three shots in one ragged hole.

25 yards: Three shots in less than a four inch circle.

100 yards: Consistent torso hits on a full-sized silhouette.

It was certainly not my intention to offer yet another "new and improved" method for shooting a handgun. Instead I am hoping to offer marksmanship knowledge based on more than two hundred years of experience gathered by the world's best practical marksmen, the United States Marines. The information has been interpreted for practical use by street-level law enforcement and modern sport shooters, and includes drills and exercises intended to convey a fundamental understanding of what it takes to hit your mark.

Thanks for reading.

A.H. League III

From the Inside Flap

Over two dozen instructive photographs and a series of unique, non-firing "Prove It" drills, designed to allow the reader to prove or disprove the book's concepts without the stress of firing.

About the Author

Albert League, a former Marine Corps firearms instructor, has trained more than a thousand law enforcement, military, and security personnel. Following a stateside law enforcement career, including SWAT, counter-sniper, and firearms instructor assignments, he served as commander of an international police station in Kosovo. Recently, he has worked as a security contractor and firearm consultant.

Users Review

From reader reviews:

Bryan Rodriguez:

The book *The Perfect Pistol Shot* can give more knowledge and information about everything you want. Why must we leave the good thing like a book *The Perfect Pistol Shot*? Several of you have a different opinion about reserve. But one aim in which book can give many facts for us. It is absolutely right. Right

now, try to closer along with your book. Knowledge or info that you take for that, you are able to give for each other; it is possible to share all of these. Book The Perfect Pistol Shot has simple shape however, you know: it has great and big function for you. You can search the enormous world by open and read a e-book. So it is very wonderful.

Kelly Thompson:

Precisely why? Because this The Perfect Pistol Shot is an unordinary book that the inside of the guide waiting for you to snap this but latter it will distress you with the secret this inside. Reading this book alongside it was fantastic author who write the book in such incredible way makes the content on the inside easier to understand, entertaining means but still convey the meaning totally. So , it is good for you for not hesitating having this anymore or you going to regret it. This amazing book will give you a lot of benefits than the other book possess such as help improving your skill and your critical thinking technique. So , still want to delay having that book? If I have been you I will go to the e-book store hurriedly.

Jewel Tarr:

Do you have something that you enjoy such as book? The book lovers usually prefer to select book like comic, small story and the biggest some may be novel. Now, why not hoping The Perfect Pistol Shot that give your pleasure preference will be satisfied by simply reading this book. Reading behavior all over the world can be said as the way for people to know world better then how they react toward the world. It can't be mentioned constantly that reading practice only for the geeky individual but for all of you who wants to be success person. So , for all you who want to start reading as your good habit, you could pick The Perfect Pistol Shot become your own starter.

Michele Brown:

What is your hobby? Have you heard in which question when you got students? We believe that that issue was given by teacher on their students. Many kinds of hobby, Everyone has different hobby. Therefore you know that little person like reading or as looking at become their hobby. You have to know that reading is very important and book as to be the issue. Book is important thing to increase you knowledge, except your own teacher or lecturer. You discover good news or update in relation to something by book. Different categories of books that can you choose to adopt be your object. One of them are these claims The Perfect Pistol Shot.
