The Superior Person's Book of Words By Peter Bowler

A dictionary for those who perceive a difference, a handbook for Superior Persons who love words.

Are you an Anglophile? (Stout fellow!) Just stand at this springboard and leave the fields of popinjay jabber and tongue-stumped battology behind forever! Step up for big dividends in the giddy heights of superior speech. Are you a rasorial searcher after words? Are nouns your bread? Adjectives your butter? Verbs your little salad? Adverbs your house dressing? Well, then, this is the book to shiver you futtocks! Put an end to fopdoodly speech; amaze your friends, baffle your enemies, write interoffice memos to end all discussion! Peter Bowler will teach you the practical riches of saying it well with good words, neglected words, precise words for vocabular exultation. A Superior Person is not defined by income, class, or sex. A Superior Person uses Superior Speech. And, if Aristotle's definition of art as something both entertaining and edifying is still toasted with glee, then there's art a-chock-a-block in Mr. Bowler's dictionary - a funny, useful, and elevating little book.

Editorial Review

Review

Nothing short of a brief dictionary for those who aspire to linguistic snobbery. --St. Petersburg Times

From the Publisher

Are you an Anglophile? (Stout fellow!) Just stand at this springboard and leave the fields of popinjay jabber and tongue-stumped battology behind forever! Stop up for big dividends in the giddy heights of superior speech. Peter Bowler will teach you the practical riches of saying it well with good words, neglected words, and precise words for vocabular exultation!

About the Author

Peter Bowler, our ageless author, has to his name several other published books - mostly irreverent paperbacks which treat serious subjects, such as death and religion, with regrettable flippancy. He has also written a book about child development, but could find nothing funny in that. His most recent book is the 1998 novel *Human Remains*. Today these books are mostly, as the French say, *introuvable*, lending them an intrinsic attraction for those who aspire to the unattainable.

Users Review

From reader reviews:

Lottie Jowers:

Book is to be different for every grade. Book for children until eventually adult are different content. As it is known to us that book is very important for people. The book *The Superior Person's Book of Words* has been making you to know about other information and of course you can take more information. It is rather advantages for you.
