Until the Stars Fall From the Sky (A Hidden Beauty Novel Book 1) By Mary Crawford

Jeff finally has his life back on track after deferring his dreams so he can be there for his family when they were stuck with a health crisis. As a lifeguard and a law student, he is solely focused on graduating at the top of his class and passing the bar exam so that he can help his mom and sister.

"WOW!! What a wonderful book, that will have you in tears. Happy and sad ones. I was very impressed with this book. I signed up for the blog tour and I am very glad I did! The author did a wonderful job, it was very well written, and the characters are just brilliant. I loved them so much. They're characters that you can't help but to fall in love with them.

Kiera is a paraplegic, when I read that I just started to cry. My heart broke for this wonderful girl. But what I LOVED about her character is that she is strong and being disabled doesn't get her down. --Sandra Love,
Author

This is a fantastic debut novel. I loved this story.

To me this was a really great refreshing story. It has a unique storyline which I loved. The characters came across as real which I also loved. Jeff and Keira's story is certainly one worth 1-clicking.

This is a truly beautiful romantic story.

True love can conquer all.

~Philomena Callen

Here's a story about a couple who experiences their ups and downs but still manages to triumph through it and come out with a satisfying happily ever after. I could read this type of romance until the stars fell from the sky!

About the Author

I have been lucky enough to live my own version of a romance novel. I married the guy who kissed me at summer camp. He told me on the night we met that he was going to marry me and be the father of my children. Eventually I stopped giggling when he said it, and we just celebrated our 26th wedding anniversary. We have two children. The oldest, is in medical school, and the youngest is still in elementary school.

Presently, I'm a stay at home mom and I'm working on several other novels. I volunteer my time to a variety of causes. I have also worked as a Civil Rights Attorney and diversity advocate. I spent several years working for various social service agencies before becoming an attorney. In my spare time, I love to cook, decorate cakes and, of course, obsessively compulsively read.
